I don't know if you are allowed night differential but...  
FYI, if you enter night differential on the timecard, you need to enter the overtime as OTINS.

Donna

I will remove the night differential for September 6<sup>th</sup>, per our conversation with Verne and Marilyn.

However, this OPM link does say that “Night pay is paid in addition to overtime, Sunday, or holiday premium pay.”

<https://www.opm.gov/policy-data-oversight/pay-leave/pay-administration/fact-sheets/night-pay-for-general-schedule-employees/>

John: Can I suggest that we look into this further?

This refers to September 6<sup>th</sup> when I worked overtime from 3:45pm until 6:45pm doing work related to Hurricane Harvey.

Hi, Michael,

John Spelman said that you don't qualify for a night differential. Would you change your timecard for 9-6-17?

Thank you,
